

# Participation to Clusters and Networks

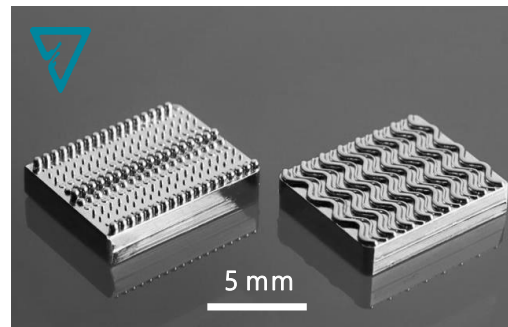

- CIMES Competitiveness Cluster  
(CEMAM is one of the referency Labex of CIMES)
- Initiative 3D Network / National coordination  
(Metal Additive Manufacturing)
- RAFALD Network  
(Atomic Layer Deposition)

**GDR RAFALD**  
Réseau des acteurs français de l'ALD

# Start up VULKAM

- <https://www.vulkam.com/>
- Micro-technical parts in amorphous metallic alloys
- A unique solution for the supply of parts combining new metals with extraordinary properties and dedicated processes

# Start up CILKOA

- <https://cilkoa.com/>
- The barrier solution for paper packaging
- Ceramic coatings on bio sourced materials
- Supported via LINKSIUM
